NEW LEADERSHIP

I will be someone you can trust. I'll start by repairing the relationship between the Sheriff and our deputies. I will work to bring the entire public safety community in Cass County together to make our county a safe place to live and work, once again.

Under my leadership, the Sheriff's Office will be focused on community-oriented policing and a proactive approach to crime reduction. Trained and engaged deputies will grow them into seasoned leaders in our community. Strong leadership from the Sheriff and each deputy will only nurture a healthier community.

We have had some of the finest, most highly trained and professional law enforcement officers in the country working in Cass County, but unfortunately many of those officers have moved to other law enforcement agencies and successful careers. We are in dire need of new leadership and new direction. It's time for a change.

Campaigns rely largely on volunteer support and he needs your help to improve Cass County.

The election of a county sheriff is often decided by only a handful of votes. Even a single vote can make the difference between victory and defeat. As our volunteer team grows, we can engage more voters. As we engage more voters, our volunteer team will grow. When a campaign has a dedicated group of volunteers, it stops just being a campaign and becomes a movement.

Running a campaign is expensive and donors are crucial to any successful campaign. Consider a contribution, volunteering your time to talk to friends, family and neighbors, or request a yard sign to display proudly. Most importantly, VOTE Robert Sorenson for Cass County Sheriff.
